Related Work Experience

F/M Redhawks Baseball (Newman Outdoor Field), Fargo, ND - Summer 2008 and 2009

Assistant Maintenance Manager

- Displayed adaptability using a wide variety of landscaping and maintenance equipment
- Utilized analytical and teamwork skills evaluating and repairing irrigation lines and sprinkler heads
- Provided regular maintenance on the field including aerating, top dressing, watering the playing field and dry spots, edging, fixing mound and home plate areas and bullpens, and chalking and spray painting foul lines, and reseeding worn areas on the field
- Maintained the field condition by re-sodding undesirable areas and reseeding worn areas on the field
- Showed attention to detail by designing and mowing designs in the outfield

Lakeview Golf Course, Milnor, ND – 2001 – 2005

Assistant Manager

- Demonstrated mechanical ability operating several types of equipment such as bobcats, tractors, carts; greens, tee box, fairway, and rough mowers
- Illustrated an eye for details by changing cups, fixing divots and ball marks, sharpening and changing mower blades, and determining length of watering times for the course
- Identified problems on the course and allocated the resources around me to solve these problems

SOS Farms, Milnor, ND – Childhood – Present

Farmhand

- Obtained excellent work ethic working various jobs as needed on the family farm
- Exhibited flexibility by learning to drive truck, operate tractors and combines, blading roads, working cattle, loading, unloading and stacking bales, fixing fence, and milking cows

Other Work Experience

Bordertown Bar and Grill, West Fargo, ND - June 2007 – Present

Cook

- Display leadership skills by training in new employees
- Show work ethic by being willing to help out as needed and work extra hours when requested
- Demonstrate good interpersonal skills by the communicating orders with the waitresses and by helping them out when they're busy and it's slow back in the kitchen

Buskohl Construction, Milnor, ND - Summer 2005

Carpenter

- Presented technical and physical skills needed for carpentry such as roofing, shingling, building cabinets, installing insulation, installing sheet rock walls, and other various jobs
